

Angkor Special Group Tour

Angkor Grand Circuit

The Grand Circuit: follows a route laid out by the French at the beginning of the 20th century; taking in some of the sights around the outside of the ancient Angkor City. We base this day tour on this, taking in the best on this route.

We start off at Angkor **Wat** for Sunrise moving on to the Reservoir of **Sras Srang** (Royal Baths) We visit the atmospheric **Banteay Kdei**; which is less known & quieter than its neighbour Ta Prohm.

We continue to the brick temples **Pre Rup** and **East Mebon** which used to be an island in the vast Eastern Baray (reservoir). **Ta Som** is a small Bayon style temple with a tree clad tower on its east side.

The highlight to the day is **Preah Khan**, which is a fabulous and vast temple 2nd in size to Angkor Wat, It is a very complex partial ruin with some spectacular tree clad ruins and a unique 2 story Greek style building. It's a great place to be later in the afternoon.
